[image002.gif](#)

If possible, I'd like to arrange a conference call either today or Monday regarding yesterday's discussion of alternatives at the Executive Committee meeting. Please let me know your availability today prior to 11:30am or after 1pm; and Monday between 12-2pm. Thanks!

Subject: BDCP EIS Alternatives

Karen, Mike - I was just at a BDCP meeting (Executive Committee) at which there was considerable discussion of the alternatives to include in the EIS/EIR. The lead agencies are scheduled to meet Tuesday of next week to try to come to closure on the alternatives, and the Executive Committee expects to hear about a "final decision" on alternatives when they next meet on May 19. (They think the decision is theirs – not the case even though they are paying for it.)

By this email, I am requesting that Patti brief you on where things stand and where they appear to be going. If you have any questions or concerns or want to add to or modify the alternatives in the DEIS, this is the time to bring those forward.

David

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
